

## PHYSICAL THERAPY SERVICES OF BRATTLEBORO

30 Harris Place, Brattleboro, VT 05301

207-807-6433

### APPOINTMENT INFORMATION

You have an appointment with William Boucher, MD. This evaluation involves a detailed review of your history, medical records and x-rays (if applicable), and the performance of an examination. Upon your arrival you will complete a questionnaire and pain inventories that will assist us in understanding your situation. Dr. Boucher will then review the evaluation process with you and advise you of the scope and purpose of the examination and of all records that were available in the preparation and the conducting of the exam. He will then review your history, other available information, and perform a physical examination. He will perform an impartial, fair and thorough assessment of your medical condition in an effort to clarify some of the issues associated with your situation. At the conclusion of the evaluation we will prepare a report and send that report to the requesting client.

### PREPARATION

If you need to cancel or reschedule this appointment, please contact the office of the person who has requested this appointment no later than 10 days prior to the scheduled appointment. If you have other questions about this evaluation you should contact the person who made the referral. Please arrive on time for your scheduled appointment. If you are late, your appointment will be rescheduled and a no-show charge will be assessed. Please bring with you any x-ray films pertaining to your injury/illness. MRI/x-ray films can be obtained from the facilities where they were performed.

### DIRECTIONS

Traveling East on Route 9, go past I-91 exit, take left fork, continue to 4-way stop. Go straight to traffic light on Main Street. Take Right onto Main St. Turn right onto Harris Place. If you reach the end of Harris Place you've gone too far.
